ACHIEVEMENTS

Hackfest 2025: Capture the Flag

Hackfest 2025 was a prestigious Capture the Flag (CTF) competition organized by Softwarica College, designed to test participants' skills in various areas of cyber security, including network security, cryptography, digital forensics, and ethical hacking. The event provided a platform for students and professionals to solve real-world cyber security challenges in a competitive and collaborative environment.

Scout Volunteer

Organized and led scout meetings, outdoor adventures, and community service projects, promoting teamwork and responsibility among scouts.
